TRANSFER OPPORTUNITY
FOR
SUPERVISING PSYCHOLOGIST

Jail Mental Health Services is seeking a qualified individual to work in the Women's Jail Mental Health Services Program at the Century Regional Detention Facility in Lynwood.

Jail Mental Health Services is recruiting a Supervising Psychologist to provide direction, guidance and support for clinical psychologists, social workers, mental health services coordinators and medical case workers who assist incarcerated individuals with mental illness in overcoming the high risk of jail recidivism by supporting them to change their lives upon their release into their communities. We are seeking a creative leader who enjoys a challenge and believes that we can make a difference with motivating clients by assisting them in obtaining housing, a source of income, as well as meaningful relationships and activities.

Duties will include:
- Trains, instructs, and evaluates members of the staff, and makes work assignments.
- Discusses problem cases with staff and makes suggestions and recommendations.
- Reviews case records for completeness, consistency, and quality of documentation and care including application of proper techniques.
- Consults with individual staff to promote their development and to guide in the development of solutions in problem cases.
- Studies and makes suggestions and recommendations on special, complicated, or problem cases.
- Confers with superior concerning personnel and other work problems.
- Keeps informed of new developments in the field of psychiatric correctional mental health.
- Write applications for LPS conservatorships, reports to court, attend court proceedings.
- May carry the more complicated or emergency casework assignments as required.

If you currently hold the payroll title of Supervising Psychologist, please contact:

Elvia Trujillo, Human Resources Liaison
Jail Mental Health Services Administration
(213) 974-9083

Please respond no later than close of business on **Friday, September 13, 2013**.
